We have the maps - there is also one in the sit rep. Does Denis want these to be in the binder too? Draft of the binder is with Dan right now.

~

Lynne,

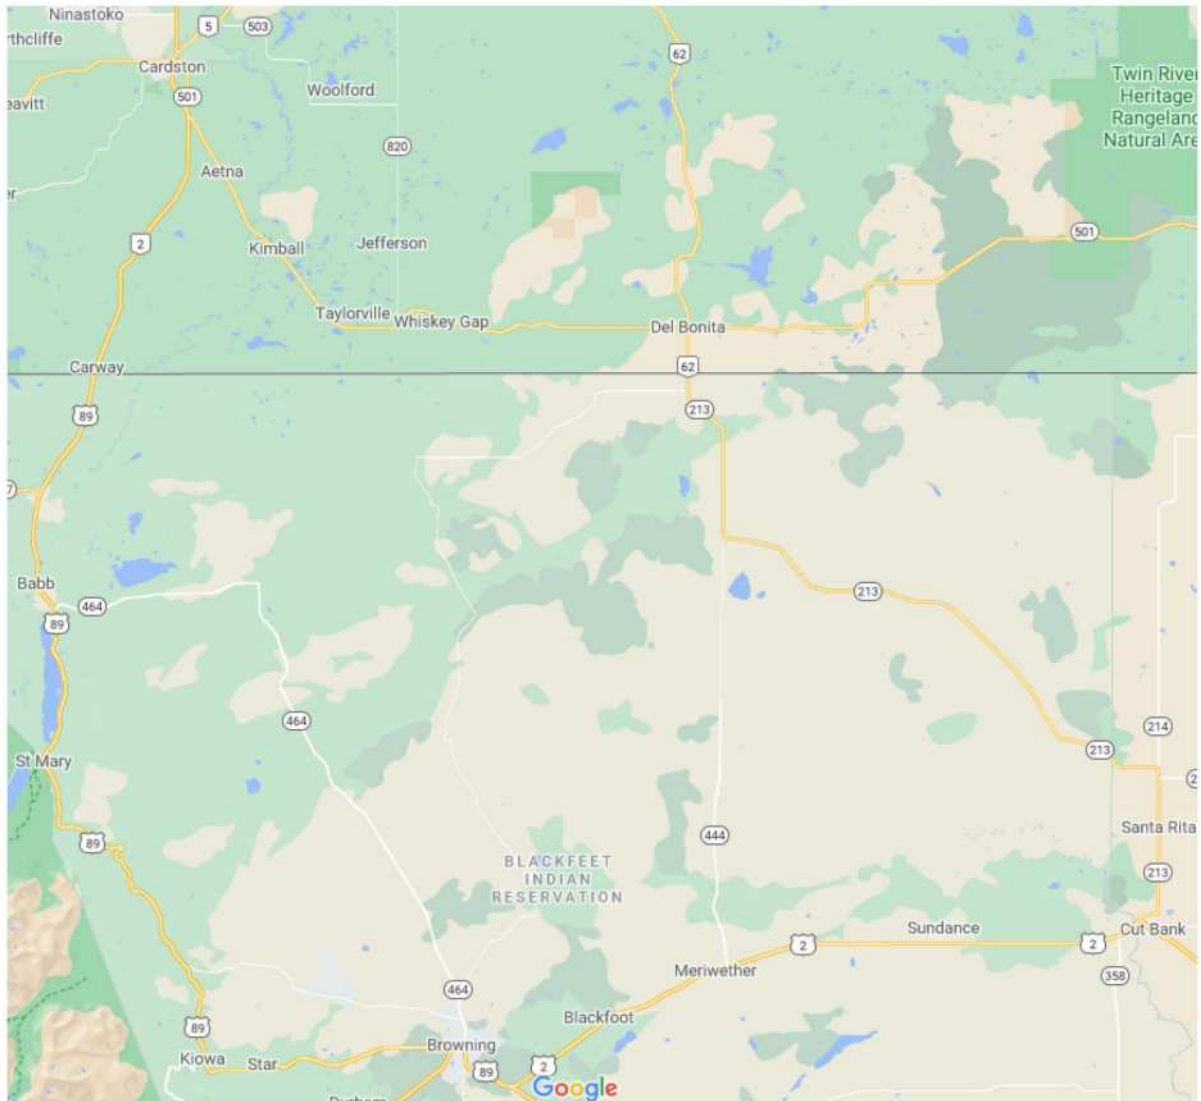

~

There are a couple options. The first map I have included Coutts as well as showing the roadways to the south that connect the three locations. The second is just of Del Bonita and Carway.

~

Matt, Nat, and Andreia,

~

We just got the formal tasking for the meeting of SSE this afternoon (below). Nat—I believe Travellers is leading on the material to support? The Pres has asked that the map in the attached email be included in our briefing material (both for Min and for Pres).

~

Pres will also need some TPs on the current operational situation.

~

Can Travellers provide the latest to Cabinet Affairs asap so that we can put together a package?

~

Thanks,

~

Andrew

I was just writing you an email on this. Here's what Cab Affairs has:

~

Public Safety advised late last night that there may be a special **Cabinet Committee on Safety, Security and Emergencies** meeting held **today** (time TBD). There would only be one agenda item related to s.39 [REDACTED] RCMP, CBSA and CSIS would all be invited to attend. I have seen nothing more formal from PCO or any update from Public Safety this morning.

~

I was just in touch with Matt Baker and there's not much more to report at this point. I've given Trav and IEB a heads-up.

Subject: Head's up - possible SSE meeting Thursday

Good evening everyone,

\~

We wanted to let you know that we are hearing of a possible SSE sometime tomorrow (Thursday) to discuss the s.39 [REDACTED] s.39 [REDACTED]

s.39 [REDACTED] Nothing is official or decided at this time. This may not happen, but we wanted to make sure you are aware in case the Committee is called urgently.

\~

We would see this as verbal updates from the four of you on the "To" line, and then a free flowing conversation afterwards. I suspect secure video/bat phone will be the preferred format.

\~

More info to come as it becomes available and decisions are made with the Chair of SSE, etc. Jeff Hutchison from PCO will continue to scope this out and pass along information as appropriate.

\~

Thanks Mike
